

Two Wells May Occur From Tests Look for Oil, Gas In Sector Again

Another attempt to discover oil or natural gas in the Catskill Mountains is being made in the New Kingston Valley and on Bovina Mountain despite several failures by other companies who have abandoned operations at sites in Greene and Ulster Counties.

The latest exploration in Delaware County, if successful, may lead to drilling of two wells estimated to cost \$1 million each, The Freeman learned today.

During the past two weeks drill rigs have been boring test holes near a Town of Middle-town highway in Delaware County, about 10 miles northwest of Margaretville.

United Geophysical Corp., of Texas is in charge of the operation for Gulf Oil Corporation, it was reported.

The test holes reached a depth of over 100 feet early this week and changes of high velocity dynamite at the bottom of the holes set up echoes which have been recorded on a seismograph. From seismograph recordings, geologist can determine the depth and formation of rock structure in the earth.

May Go 15,000 Feet

Gulf Oil reportedly plans two deep wells in that area and anticipates drilling to depths of 10,000 to 15,000 feet. The firm has many acres of land in the immediate area covered by leases. The drilling of deep wells will depend on the result obtained from the test borings.

In another exploration for gas and oil in the Catskills during 1957-1959 United Carbon Co., of Charleston, W. Va., installed 3,000 feet of casing in a Mitchell Hollow test gas well drilled at a Windham Mountain site in Greene County.

Drilling on this test well started late in December 1957 and reached a depth of 7,350 feet. A large gas pocket was struck on May 16, 1958 and at that time company officials hoped that enough gas was in evidence for commercial production.

Project Abandoned

However, in March of 1959, after 15 months of drilling operations, the project was abandoned and the well casing withdrawn. The firm held leases covering approximately 35,000 acres of land in the Windham Mountain area.

In November of 1959, it was reported that 31 leases on more than 6,700 acres of mountain property in the Lexington-Hunter area of Greene County held by the New York State Natural Gas Corp., of Pittsburgh, Pa., were dropped. Dome Gas and Oil Corp., another firm exploring the area, had a pocket of natural gas in 1956 at Allaben, Ulster County, but the yield was not great enough to continue the operation.

UAW Averts Ford Shutdown as Last Of Pacts Reached

DETROIT, Mich. (AP) — The threat of a new shutdown gone, Ford Motor Co. got into high-gear production of 1962 models today under a newly wrapped up three-year contract with the United Auto Workers Union.

The last of 85 at-the-plant working agreements, which supplanted the UAW-Ford national contract, was reached Thursday night.

Walton Hills Final

The final unresolved local-level agreement held the threat of closing down assembly lines. It was at the Walton Hills stamping plant outside Cleveland, Ohio, which makes pressed metal parts for all Ford's cars except the Lincoln Continental.

A Ford spokesman conceded shortly before Walton Hills settlement came that if workers there continued on strike, Ford would have to start closing assembly lines in the middle of next week. Ford got back into production only last week after a general strike called Oct. 3 by the UAW in support of its national contract demands.

The company and union agreed on a new national package of wages and fringe benefits a week ago Thursday, but the UAW authorized a score of local unions to remain on strike in support of at-the-plant demands.

More Chrysler Pressure

With new contracts bottomed out with Ford, General Motors Corp. and American Motors Corp., the UAW was expected to increase pressure on Chrysler Corp., and after that on Studebaker-Packard.

At Chrysler the union is attempting to get all local-level agreements out of the way before turning to the national contract.

UAW President Walter P. Reuther insists Chrysler must meet wages and fringe benefits

EN ROUTE TO PUERTO RICO—Margery Michelmore, 23, of Foxboro, Mass., member of U. S. Peace Corps, is escorted by airport policeman on her arrival at London airport from Nigeria. She is headed for Puerto Rico and possible reassignment. She offered to resign from the Peace Corps after a postcard was found on which she had described living conditions in Nigeria as primitive. Malenkov, Kaganovich Targets

Pravda Word Hints New Purge Trials

MOSCOW (AP) — Pravda, the Communist party paper, disclosed today that a campaign of denunciation unmatched since the 1953 execution of Lavrenti Beria and Stalin's purge trials is being waged against former Premier Georgi M. Malenkov and former Deputy Premier Lazar M. Kaganovich.

It printed hitherto secret speeches before the current party

Chou Causes Rift With Nik Blast About Albanians

MOSCOW (AP)—An open rift over Albania is rocking the Soviet-Chinese boat, but it has little or no chance of capsizing it. That was the diplomatic assessment here today after the startling disclosure that Red Chinese Premier Chou En-lai in a speech to the 22nd Soviet Communist party Congress Thursday had severely criticized Premier Khrushchev's condemnation of the tiny Communist nation on the Adriatic.

Sides With Peiping

The Albanian regime sides with the Chinese Communists in their contention that war is still a legitimate weapon to spread communism. In what Western observers considered an implied criticism of Peiping's rulers, Khrushchev, in opening the party congress Tuesday, had accused Premier Enver Hoxha and other Albanian Communist leaders of failing to support his policy of peaceful coexistence with the non-Communist world and of trying to lead their country back to the era of Stalinist repression.

K Plainly Target

Chou did not name names, but Khrushchev was plainly his target when he declared: "Any public, one-sided censure of any fraternal party does not help unity" (Continued on Page 14, Col. 6)

Would Spend \$17 Million For Mentally Retarded

ALBANY, N.Y. (AP) — Gov. Rockefeller proposed today a \$17-million program to expand facilities for the mentally retarded at Mount McGregor, formerly a state-operated veterans' rest camp.

A start on the long-range program would require an appropriation by the Legislature. The governor gave no indication when he might ask for such funds.

Mount McGregor, in Saratoga County, now is an annex to the State School for the Mentally Retarded at Rome. It was abolished as a veterans' rest camp amid controversy during the 1960 legislative session. Rockefeller said the closing would result in a \$1.7 million saving in the ensuing fiscal year.

The American Legion and other veterans organizations fought the move.

Existing buildings at Mount McGregor can accommodate 130 patients and are being renovated to house an additional 215. Under

congress accusing them of beating, torturing and executing innocent Communist party officials during Stalin's reign of terror in the 1930s.

Two Others Accused

The speeches also charged they were involved and directly responsible for executions under N. I. Yezhov—bloodiest of the purges. No one in the history of the Soviet Union has ever survived such charges, but the only punishment so far demanded for Kaganovich and Malenkov is expulsion from the Communist party.

The speakers said former Foreign Minister V. M. Molotov and former President Klementi V. Voroshilov bore similar guilt, but direct and detailed charges against them have not been made yet.

Nevertheless, it seemed clear that this would be done before the party congress ends. Their expulsion from the party was also demanded.

May Extend to Others

Voroshilov, strangely enough, is serving on the Presidium of honor. Nikolai Podgorniy, first secretary of the Ukraine, charged that all four men fought Premier Khrushchev's campaign of de-Stalinization because "they were personally responsible for many mass repressions."

The denunciation in Pravda aroused curiosity whether a new series of purge trials was being prepared and, after reading a section of a speech by Gennadiy Voronov, there was speculation that a new purge might sweep other Communist countries too. Voronov is party leader of the Russian Federated Republic, largest in the Soviet Union.

"This congress will serve a serious new warning to all sorts of apostates of Marxism, revisionists and dogmatists, who are trying to impede the Socialist development of peoples and trying to divert the Communist and workers' parties from the correct Leninist way," Voronov said.

In the Kremlin dictionary, revisionism usually is associated with the brand of communism practiced by President Tito of Yugoslavia, dogmatism with the kind espoused by Red China's leaders.

Six Nations Call on U.N. To Appeal Against Blast

Industry Warned of Inflation

Heller Calls '62 Critical Period

HOT SPRINGS, Va. (AP)—President Kennedy's chief economist told industry today that 1962 may bring the "critical period" when renewed inflation could halt the advance toward a full-employment economy.

Dr. Walter W. Heller, chairman of the President's Council of Economic Advisers, appealed for restraint in price and wage decisions. He spoke at the fall meeting of the Business Council, attended by the heads of nearly 100 of the country's biggest corporations.

Upsurge Could Halt

The prospect for price stability in the immediate future is good, Heller said in his address, but the business upsurge could stall next year—as it did two years ago—short of full utilization of men and machines.

"By the middle of next year we will probably have not reached full employment but we will have reached about that stage of the business cycle that we reached in 1959 and did not then manage to surpass," Heller said.

The test next year will be whether the surge of recovery will continue toward full employment or whether a revival of creeping inflation will hamper our efforts to use the full potential of the economy in the service of our national goals.

"Every person who wants the United States to continue to discharge its world responsibilities, and every person who favors full employment, must be alert."

(Continued on Page 6, Col. 3)

No Election Day Sale of Drinks

New York State Liquor Authority announced that on Election Day, Nov. 7, the sale of liquor, wine and beer for on-premises consumption is prohibited throughout the state during the hours when the polls are open—6 a. m. to 7 p. m. A state-wide prohibition also prevails against the sale of liquor and wine for off-premises consumption during these hours.

In Ulster and neighboring counties, the sale of beer by grocery and drug stores for off-premises consumption is also prohibited during polling hours.

Death of Trout Under Probe Near Phoenicia

The loss of several thousand trout in the Phoenicia section of the Esopus Creek is under investigation by the State Conservation Department, Earl Conro, president of the Phoenicia Fish and Game Association, Inc., said today.

Simultaneous with the investigation is a developing controversy over the cause of the killing, Conro said.

Conro, who is Identification Officer in the sheriff's department and widely known outdoor expert, said an investigation by Phoenicia Fish and Game Assn. club members raised the theory that the fish might have perished because of the constant on and off shutting of the reservoir portal in Shandaken.

A Conservation Department official who inspected the Phoenicia stream area today declined to go along with the theory, but gave four reasons why the portal has been shut off and will remain closed for at least two more weeks.

The reasons are: (1) pollution in the Schoharie area; (2) creek work in Schoharie; (3) construction of a new abutment on the bridge on Route 28A near Boiceville, and (4) test borings for a new bridge in Phoenicia.

Conro said he had checked with the Conservation Department on Thursday and was given assurance that Dr. Green, of the biological and aquatic division, would send a representative. The department official arrived early this morning to conduct the investigation.

The theory advanced by persons checking the staggering fish loss was that it might have

Planning Analysis Is Turned Over to City After Two-Year Study

A comprehensive development plan, known generally as "the master plan" for Kingston, a compilation of 178 pages of record, recommendation, statistics and survey data, was officially presented by Raymond & May Associates, planning and urban renewal consultants, in the office of Mayor Edwin F. Radel Thursday afternoon.

It contains 19 maps and charts, and David A. Ornstein, who presented and explained it, termed it "one of the best turned out" by the firm.

Contents of Report

Its contents include a planning analysis of the city's existing land use, population, housing, economic base and fiscal trends, a plan "designed to accomplish certain recommended objectives in accordance with acceptable modern standards of community development." Also included are several "planning tools to help achieve such objectives." The plan was slightly more than two years in preparation.

It deals extensively with the Rondout urban renewal projects, others which have been proposed to follow it, and with such projects under state public works planning as elimination of the Washington Avenue viaduct, replacement of the narrow Esopus Creek bridge and the building of a new Rondout Creek Bridge and its approach arteries.

Not Complete Endorsement

"A plan of development," the report notes, "can be based only upon past and current trends and upon the best estimates of the only vaguely perceivable shape of future development. While this plan was conceived with the fullest cooperation of city officials, we do not wish to imply that all recommendations contained herein necessarily have their endorsement."

The plans, as presented, it notes "constitutes only the beginning of a planning process." It proposed that the city's planning board hold public meetings on each of the plan's major aspects. Mayor Radel noted at yesterday's meeting that an advisory committee is to be named in the near future.

It was also emphasized that

the plan is primarily "an advisory document which would best serve as a guide for the Common Council in its programming of public works, and in the adoption of new, and amendment of old ordinances and codes relevant to land development." It is also intended to serve the planning board, recreation department and others along with the education board. It aims also to assist state and county planning agencies.

None, however, it notes, "is bound by provisions of the plan until the Common Council takes such legislative, administrative or financial action" as may be needed to effectuate any one of the proposals contained therein.

Mayor Radel advised that future administrations should consider the meaning and purpose of the plan and "abide by" it or its value would be lost. Ornstein (Continued on Page 6, Col. 4)

Stresses 'Go Home' Program

Local Shelter Plan Is Lauded by State

Preparations made by Ulster County Civil Defense Director Major H. Edgar Timmerman to provide for a continuance of essential local government in the event of a nuclear attack on the United States, were highly complimented Thursday by Lt. Gen. Francis W. Farrell, New York State Director of Civil Defense.

Speaking before the board of supervisors, General Farrell said the fallout shelter in the cellar of the court house, which would be manned by Civil Defense, was ample to provide facilities to carry on "essential" local government activities during a period of emergency.

Stresses 'Go Home'

Calling radioactivity fallout the "burning question" of the day, General Farrell strongly advocated construction of fallout shelters in the home and said a "go home" program in the event of an attack warning was the best form of protection yet devised. He also advocated sending school children home, if they could reach home within the warning period.

General Farrell said keeping a family together at home in the event of a nuclear attack was the best possible action to bolster morale.

Calling a properly constructed fallout shelter the best protection now known against fallout, he pointed out to the board of supervisors why a shelter was necessary and outlined the requirements for survival over a period of days while the fallout danger existed.

Explains About Fallout

Radioactive fallout, General Farrell pointed out, was the mass of radioactive dust and dirt which has been picked up by a nuclear bomb explosion and carried by the winds over the land, gradually settling to the earth where its harmful effects are gradually neutralized.

The period of warning of an attack, General Farrell said, was being reduced until at the present time it might well be 15 minutes to a half hour. In 1946 the warning time was five hours. Use of missiles, which might get through protective cover, has cut down the time between the firing of the bomb and its arrival here. The time for warning of resulting fallout after a bomb had struck has not

been changed and the time to reach a fallout shelter remains the same.

General Farrell pointed out that a fallout shelter is not a "bombblast" shelter but a protection against harmful fallout. Early radioactivity following

Bridge Contracts Are Approved by Supervisor Board

Contracts for construction of two bridges in the county were approved by the board of supervisors Thursday evening. Both contracts went to Anthony Costanzi Corporation of Kingston, low bidder.

The board also passed a resolution authorizing the acquiring of necessary rights of way for the relocation of a bridge over the Rondout Creek in the Town of Marlborough, known as the Allgerville bridge on County Road 29-A, Federal Aid Secondary Route S-2595. The bridge has been tentatively approved by the State Department of Public Works and the Federal Bureau of Roads. Supervisors Roy J. Webber (R), Marlborough, and Supervisor A. Richard Terwilliger (R) Rochester, introduced the resolution.

Bids Are Listed

The contract to construct the Sully Bridge in the Town of Woodstock was awarded to Anthony Costanzi Corporation for the sum of \$37,959, on motion of Supervisor Abram Molyneux (R), Woodstock. Other bids were I. O. A. Slutsky, Hunter, \$39,817.50; James Berardi, Inc., Kingston, \$45,682; Shana Construction Co., Inc., of Ellenville and Kingston Crane Service, Inc., Kingston, \$46,150; Wilbur E. West, Inc., Woodstock, \$46,493.75; The Standard Engineering Corporation, Albany, \$47,465.20.

For construction of the Sauer Bridge in Town of Saugerties the Costanzi Company bid \$204,540 was approved. This bridge is over the Esopus Creek connecting Route 9W with the Mt. Marion Road. Supervisor Peter Williams (R), Saugerties, offered the resolution. Other bidders (Continued on Page 14, Col. 7)

Diplomats Forecast Approval Menon Is Pushing New Moratorium

UNITED NATIONS, N.Y. (AP)

—Six countries close to the Soviet nuclear testing area formally called on the United Nations today to appeal to the Soviet Union to cancel its proposed explosion of a 50-megaton bomb.

The new resolution was laid before the General Assembly's main political committee by Canada, Denmark, Iceland, Japan, Norway and Sweden as that body debated steps to halt further testing of nuclear weapons.

Deep Concern

It noted with deep concern Premier Khrushchev's announcement that a 50-megaton bomb would be exploded before the end of the month. It "solemnly" appealed for cancellation of the plans.

The resolution was circulated to the 101 members of the committee this morning. Representatives of Denmark, Japan and Canada were expected to press for priority action later in the day.

The first speaker at the morning session was Indian Defense Minister V. K. Krishna Menon, who pressed for a new voluntary moratorium on nuclear testing despite Western insistence that such a ban would be a trap unless guaranteed by a treaty and inspection machinery.

Menon told the committee both that the Western powers and the Russians must share responsibility for resumption of tests. Diplomats predicted overwhelming support for the six-nation appeal to Khrushchev.

Asian-African nations reportedly had planned to introduce a similar resolution, but they apparently decided to leave the initiative to nations more likely to be affected by fallout from the giant blast.

Some Doubt Intention

Several U.N. delegates have expressed the suspicion that Khrushchev had no intention of setting off the bomb despite his dramatic announcement before the Soviet Communist party congress Tuesday. They believe the Soviet leader, knowing the alarm his announcement would arouse, intends to let the full impact sink in, then, as a magnanimous gesture, say he has decided for the sake of world harmony to heed the appeals.

Arms experts have pointed out (Continued on Page 14, Col. 3)

Second Contract Obtained Here to Help Handicapped

A second contract within a week has been received by Gateway Industries, Inc., of Kingston which will give employment to additional handicapped persons of the area.

Gateway Industries, Inc., recently received a contract to assemble buttons on a card, giving employment to 15 handicapped persons. Work on that contract started Tuesday.

In announcing the second contract, William F. Edelmut, president of Gateway Industries, Inc. and a former mayor of Kingston, stated the contract from the Gotham Pressed Steel Corporation of New York, toy division, promises to give employment to a considerable number of handicapped persons.

Shipped to Kingston today for assembly were 50,000 units and another 100,000 units are expected before the end of the year. It is anticipated, if work proves satisfactory, that some 3,000-6,000 units could be assembled in Kingston during 1962, Edelmut said.

The units come in four pieces which are assembled into a single unit in the form of a plastic football player and is used in a game manufactured by the New York concern. Twenty-two pieces are used in each game.

Gateway Industries, Inc., are housed presently in rented quarters in the former Palen plant at 519 Broadway. In many cities public spirited citizens have donated some unused buildings to the organization, which is a non-profit organization designed to give work to handicapped persons who might otherwise be unable to become self-supporting. Gateway Industries, Inc. of Kingston, welcomes people joining the group which has its own building, President Edelmut said.

No State Tax Hike Plan, But 1961 Rebate May Go

ALBANY, N.Y. (AP) — New York taxpayers had new assurances today that Gov. Rockefeller will hold the line on current income tax rates, although they probably will lose the 10 per cent income-tax rebate granted this year.

Rockefeller said Thursday at Glens Falls, as he did last month in Rochester, that an expanding economy would provide the state with additional revenue.

With more businesses and wage-earners paying taxes, he said, no individual company or person would pay more.

In Rochester, however, the governor said the \$90-million tax rebate granted this year on 1960 personal income would not be continued. Both the Legislature and Rockefeller must approve if the rebate is to be extended another year.

Rockefeller told a meeting of the New York State Association of Industrial Development Agencies at Glens Falls that industries establishing or expanding in the state were guaranteed against state tax increases in the foreseeable future.

In Rochester, on one of his saturation visits Upstate, the governor said one of the greatest needs for additional money was for the expansion of education.

The current state budget totals \$2.4 billion and is expected to go up by \$200 million next year.

Rockefeller has said that, when he took over the governorship, tax revenues totaled \$1.6 billion. They now are more than \$2.4 billion.

He credits the higher yield to, among other things, improved business conditions and the adoption of a payroll-withholding tax on workers' income.

Glancing Over TV Bill of Fare

By CYNTHIA LOWRY
AP TV-Radio Writer

NEW YORK (AP) — Danny Thomas, who two months ago was making noises about retiring his TV series after this season, bounced merrily into town for a couple of days. The foreseeable end of "The Danny Thomas Show" was not on his list of favorite subjects.

"All I've ever said was that I wanted to quit on top," he explained. "I wanted to quit while the public and the sponsors still liked us."

Apparently the public still likes Danny's weekly entertainment effort, for the program has continued in its usual top-10 position among the popularity ratings.

Danny keeps moving to greater eminence as a sort of entrepreneur of network comedy shows. He has an interest—financial as well as supervisory—in "The Andy Griffith Show," "The Dick Van Dyke Show," and "The Joey Bishop Show." Currently he and his partner, Sheldon Leonard, are busy planning two more series for next season, one a situation comedy called "I and Claudie," and another, "My 16 Blocks," about the family life of a patrolman.

Meanwhile, he's pleased with the progress being made by Joey Bishop.

"You've got to give him a little time to learn to be an actor, to smile with his eyes," he explained. "Remember, Joey has been a monologist all his professional life, and his style is to be stoic, never to smile at his jokes. But he's got a high likability quotient and he'll make it."

The big new thing in the works on his own show is the introduction as regular members of the cast of Sid Melton and Pat Carroll, playing his agent and wife. "If Sid and Pat can carve themselves a niche on the show—if the public responds to them—then we can go on to stories where we leave the children with them while my wife and I take a trip to Europe or some place."

Recommended weekend viewing:

Tonight—"Macbeth," NBC, 8:30-10:30 EDT repeat of the award-winning version with Maurice Evans and Dame Judith Anderson.

Saturday—"The Defenders," CBS, 8:30-9:30, dramatic series about a father-son team of lawyers and stressing adult themes, this week's being a child custody fight.

Sunday—"Merrily We Roll Along," NBC, 10-11, musical special about automobiles, narrated by Groucho Marx.

THE SULTAN AND HIS HAREM—Sultan Frederick Stang and his harem, consisting of Alan McCorkle, Zale Liese, and Robert Ronder, will be featured in the annual Kiwanis Kapers at the Kingston High School Auditorium on October 24-25-26. Reserve seat tickets exchange is now underway at Flanagan's store, 331 Wall Street. The Kapers is presented for the benefit of the Scholarship and Youth Welfare Funds of the Kingston Kiwanis Club. SHOKAN NEWS

SHOKAN—Mr. and Mrs. E. C. Johnson of Waukegan, Ill., were in town Tuesday. The couple were on their way home by way of Cooperstown and Niagara Falls. They said they were greatly pleased with the scenery in Ulster County.

The Freeman account of the birthday party given Mrs. Elva H. Bogart, Kingston, at the home of Mrs. Richard W. Lentz, New Paltz, on Saturday, Oct. 8, was of interest to a number of people in the north reservoir country where Mrs. Bogart and her husband made their home many years ago. Mrs. Bogart is a granddaughter of Dr. Abram T. Hull whose home was along the old Plank Road at what is now Ashokan. She and her husband for several years owned and occupied the one time Lemuel Winchell homestead near Tonche Mountain which is now the summer residence of Mr. and Mrs. George W. Pratt, Kingston.

Daniel G. Morgan, Mt. Marion, was a caller in the village center Tuesday.

Macl Emler has returned to her home in Washington, D. C., after spending a few days with her aunt, Mrs. Benjamin Van Steenberg, and other relatives. She has recently returned from a two months trip to the Far East. Mrs. Emler as a girl resided here in the present John Vailand house on the reservoir road which was built by her father, Augustus Greene.

Mr. and Mrs. Oliver Crawford recently made a fishing trip to the Canadian border country.

Howard Brooks, former Shokan resident who for the past years has made his home in the Mt. Tremper area, was a local caller the latter part of the week.

Viola Whitford, Kingston woman who received second award for her "White Birches" painting at the county art association's exhibit in the Ulster County Savings Bank building, has a number of friends in Shokan who have long admired her well executed landscapes.

Richard Cahill, Mt. Tremper, was a recent caller in the village center.

The crowd of visitors at the local free museum of antiques last Sunday was so large that at times there was no available parking space at Winchell's Corner.

Mrs. M. B. West of San Diego, Calif., called on friends here Sunday and also drove over to Lake Hill to see her brother, Robert F. Bartlett, formerly of Kingston.

Cub Scouts No. 63 are now meeting on Wednesdays at the home of Mrs. Bernard Stahl, new den mother who succeeds Louise Walsh in the post.

Musket's Origination

The original musket evolved during the third quarter of the 16th century in the Spanish army, then considered the foremost military system in Europe, according to the Encyclopedia Britannica.

Ellenville Hospital

Financial Report Accents Need for Additional Rooms

Reports on the financial condition of Veterans Memorial Hospital and a summary of its activities during the past year, stressing the need for a larger institution and a larger sustaining membership roll were prepared by Miss Katharine T. Terwilliger, treasurer of the Board, and Evald Bors-Koefoed, administrator, for the annual meeting Tuesday evening in the Elementary School Music Assembly.

At the same meeting, Guy Davenport, Mrs. Ben Miller, and O. Mendon Savels J., board members, were reelected for six-year terms.

Treasurer Reports

The treasurer, in a comprehensive report, pointed out that the institution's operating expenses had increased \$14,000 during the year to a total of \$331,500 bringing the expense account close to the operating income of \$335,400. Included in the list of growing expense was the year's food bill of \$33,000, an increase of \$2,000 over that of the previous year.

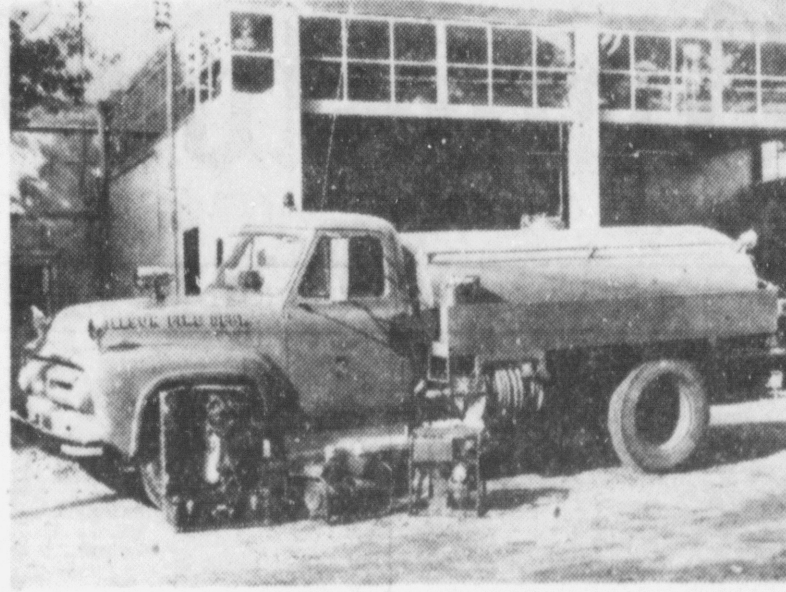

With unpaid accounts totalling \$122,500, perhaps half of them uncollectible; and a \$13,000 drop in donations of money and equipment since 1959, Miss Terwilliger stressed the need for many more sustaining members. Quadrupling the number of \$5 givers would help the hospital greatly, she said, adding that "no one would be burdened unduly since \$5 a year is only ten cents a week."

Her report accounted in part for the decrease in donations by pointing out that for the first time since the hospital's founding, the annual \$3,000 contribution by the now defunct Woman's Auxiliary was missing. Between 1924 and 1960, the women's group had contributed \$53,291. Miss Terwilliger's report showed.

The treasurer's report also announced a recent anonymous gift of \$3,000 which will make it possible to replace some old equipment and add others the hospital had needed but could not afford.

Cites Growing Need

The annual report of Hospital Administrator Evald Bors-Koefoed drew a picture of a constantly growing institution in which, during the past year its staff of 73 cared for on average daily patient load of 40 in the 46-bed hospital; handled 740 emergency room cases and 389 surgical procedures; gave 149 blood transfusions; took 593 cardiograms; completed 2,427 X-ray examinations and 15,877 lab-

TILLSON TANK TRUCK—A total of \$8,000 worth of equipment was formally turned over to the Tillson Fire District Saturday noon by the Tillson Volunteer Fire Company Inc., making all fire fighting apparatus the property of the fire district. The 1200-gallon tank truck is fully equipped with mid-ship pump, two Scott air-pacs, two spare air tanks, 2500-watt portable generator with lights and Hale portable pump. John Shultz, president of the fire company, made the presentation to Douglas Saar, chairman of the fire commissioners, for the sum of one dollar. (Hoffman photo)

oratory tests; and served 76,000 meals.

The hospital had 1,837 admissions in 1960, the administrator's report indicated, and during that period the local population was increased by the birth of 148 girls and 139 boys.

In a break-down of how the hospital dollar was used during the year, Koefoed reported that \$185,800 was spent on direct patient care, including nursing, lab and X-ray, medical and surgical supplies, and drugs. Food service for patients and personnel, including special diets and kitchen staff salaries accounted for \$63,000. The operation of the plant totalled \$39,500; and administration expenses, \$29,000.

These costs, the services provided during the year, the steady increase in the amount of major surgery, a jump in emergency cases, and anticipated additional demands on the hospital's facilities accentuate the need for a larger hospital, the administrator stated.

Grain Millers Meet

Tonight on Contract

BUFFALO, N.Y. (AP)—The 1-100 members of Grain Miller's Local 36, on strike since Sept. 20, meet tonight to consider the new contract agreed on last night with General Mills.

A nine-cent hourly pay raise, retroactive to July 1, another eight-cent hike next July and several classification adjustments are provided for in the tentative agreement.

General Mills, whose flour mill here is the largest in the world, dropped a long-time demand for a change in relief procedures for some machine operators.

Group Is Named To Advise State On War Memorial

ALBANY, N.Y. (AP) — What would be a fitting memorial to the million sons and daughters of the Empire State who served in World Wars I and II?

That thought was behind the appointment today of the first members of an advisory committee that will help a state authority decide what and where the memorial should be. The 1957 Legislature created the authority to find a site, and build and maintain a memorial, provided for a 25-member advisory committee to assist the authority, and to seek public financial support for the memorial.

No decisions have been made to date on a site for the memorial or what type of structure will be erected.

Gov. Rockefeller named the advisory committee members, who represent veterans', business, professional and other groups.

The governor also named a new member to the 10-member authority. The Rev. Alexander R. McKeechie of All Saints Episcopal Church of Great Neck was named to succeed Herman M. Seidin, also of Great Neck, whose term has expired.

Neither members of the authority nor advisory committee are salaried. Individuals on both groups serve three-year terms.

The governor appointments to the advisory group included: Assemblyman Edwyn E. Mason, R-Delaware; John R. McClive, Buffalo; William O'Brien Sr., Waverly.

Plan Second Dive To Find Hidden Cave for Shelter

Another dive by members of Ulster County Divers into the underground lake of the Delaware Avenue mushroom cave, in an effort to find an adjacent hidden cave, will be made in a few weeks, the Freeman learned today.

City officials have been conducting a study of the underground caves for use as community fallout shelters.

Could Be Larger

During the initial dive Sunday, it was agreed that further skin-diving operations would be necessary to determine the location of the hidden cave said to be larger than the one now under consideration.

Kingston Common Council's fallout shelter committee is considering the possibility of drilling through the Delaware mushroom cave wall to provide an entrance into the cave, in the event its exact location is determined. The wall is reported to be 100 feet thick.

In Sunday's dive, members of Ulster County Divers reported that the water—measured up to 38 feet—was crystal clear. Samples of the water were forwarded to Kingston Laboratory. Edward Muller, one of the skin divers said it appeared to be good hard spring water out of lime rocks. Some of the divers tasted it and said it was good.

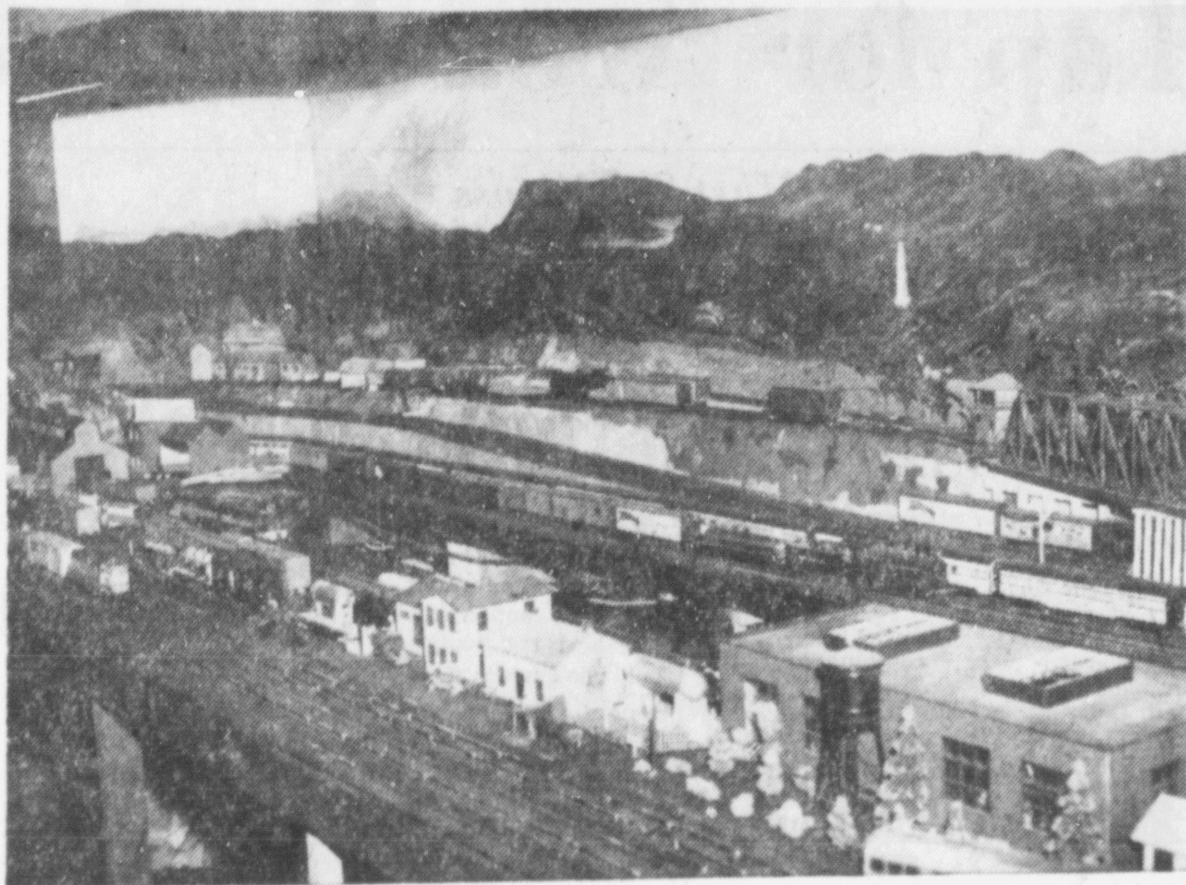

Muller, a resident of Lake Katrine, said underwater visibility of over 20 feet was possible by using special sealed beam spotlights. The water temperature varied between 52 and 55 degrees, he said.

Divers in addition to Muller, participating were David Lasher, Jerry Klemm, William Parker, William Mills, Allen and Warren Nissen, William Mundhenk and Richard Grant, safety director; Ted Wiands and Stanley Hasbrouck line tenders.

Portable floodlighting was provided by A. H. Wicks Engine Company. Standing by in the event assistance was necessary were members of Wicks company, city firemen and police officers.

Muller said some of the divers extended lines some 225 feet in the underground lake at the far end of the 10-acre former cement mine. The cave is now used by Knaust Brothers Inc. for mushroom growing.

Preliminary reports indicated that the main cave could easily accommodate 3,000 to 5,000 persons and 10,000 under crowded conditions.

"MacGUINNESS JUNCTION," an entirely new section of the annual exhibit of the Kingston Model Railroad Club Inc., is pictured above at the club's quarters at 541 Broadway. The exhibition will open Sunday, Oct. 22, at 2:30 p. m. and continue until 9 p. m. Each night during

the following week the show will be open from 7 to 9 p. m., and Sunday, Oct. 29, from 2:30 'til 9 p. m. will be the closing day. Automobile entrance to the show is from Pine Grove Avenue over Susan Street, while pedestrians may enter from the Broadway underpass, (Freeman photo).

Says Sudden Deaths Should Be Studied

Dr. Milton Helpen, New York City's chief medical examiner, said today the key is the requirement under the examiner system that all sudden or unexpected deaths be thoroughly investigated by specially trained physicians.

Dr. Helpen was a speaker at the mid-year meeting of the New York State Association of Public Health Laboratories in session in Albany.

"Subtle evidences of foul play may escape the untrained eye," Dr. Helpen said, "and there have been too many murdered bodies buried without suspicion." That, he argued, gives a leeway to crime.

A conference on diseases of the kidney and a colloquium on laboratory methods opened the meeting yesterday.

In the absence of Dr. Arthur E. Harris, president, Dr. Joseph Bellamy, director of Columbia County Memorial Hospital laboratory, Hudson, vice president, conducted the meeting.

Puppet Show Is Slated Oct. 28

Janet and Ronald Herrick who have been entertaining children and adults alike for the past 15 years, will present a marionette variety show called Stars on Strings at the New Paltz High School auditorium Saturday, Oct. 28 at 2 p. m. Included in this program will be acrobats, clowns, ballet dancers, including one puppet that starts out a few inches tall and grows to over six feet. The performance will be played on an open front stage so that all may watch the intricate manipulation and see not only the puppets but the puppeteers as they perform. Stars on Strings is being sponsored by the Huguenot Street Nursery School. Tickets may be obtained from any parent who has a child attending the school or at the high school auditorium on Oct. 28.

Stone Ridge Church Schedules

STONE RIDGE — Reformed Church, the Rev. Robert Clementz, pastor — Sunday school 9:45 a. m. Worship 11 a. m. Junior Youth Fellowship from 7 to 8:30 p. m. Choir Saturday 7:30 p. m.

Methodist Church, the Rev. Robert Fisher, pastor—Sunday school 9:45 a. m. Worship 11:15 a. m. MYF meets in the church hall 6:30 p. m. Week of Prayer and Self Denial will be held in the church, Wednesday, Oct. 25, 7:30 p. m. This Saturday, junior choir meets at 11 a. m. Also, work day at the church.

Episcopal Church of Christ the King, the Rev. W. Arnold, priest-in-charge—8 a. m. Holy Communion; 9:45 a. m. Holy Communion for the Sunday school staff; 10 a. m. Intermediate Girl Scout Troop 115 meetings, Thursday, Oct. 26, adult choir rehearsal in the church 7:30 p. m.

Area Social Notes

Mrs. Roland Shultis, Mr. and Mrs. Kenneth Vredenberg and son Jeff and daughter Annette of Wittenberg, Mr. and Mrs. Lawson Edgar and son Craig Alan of New Hamburg, were Sunday guests of Mr. and Mrs. Earl Osterhout and son, Mr. and Mrs. Oliver Bogart and family spent Columbus Day with relatives in Greenville and Cairo.

Mr. and Mrs. John Winkler of Cairo, are spending the week with Mr. and Mrs. Merton Blanchard and son.

Parents of the Rondout Valley Babe Ruth League boys may attend meeting on Friday, Oct. 20,

11 in Area Complete Course in First Aid

Eleven people who are residents of this area have completed a course which qualifies them as first aid instructors, according to Mrs. Estelle Somerville, executive director of the Monticello Chapter of the American Red Cross.

Having gone through intensive training sessions under the direction of Joseph Hasenfus, Eastern Area representative of the Red Cross, these men are now authorized to conduct junior, standard and advanced courses in first aid.

The eleven who completed the course at the Woodbourne Firehouse are: Thomas E. Burkhouse, Napanoch, Jack Cooper, Woodbourne, Michael J. Doris, Kingston, Nathan Mayberg, Monticello, Agnes A. Miller, Cottekill, Herman A. Miller, Cottekill, William G. North, Grahamsville, Abraham Shapp, Wurtsboro, Robert T. Walker, Grahamsville, Albert W. Whittaker, Woodbourne.

Evaporated Milk Is Closer to Fresh Taste

WASHINGTON (AP) — Agriculture researchers believe they are inching nearer to discovering means to make evaporated milk taste and look like fresh milk after adding water.

The Department of Agriculture reported that laboratory studies indicate new findings may open the way to such an improvement. It said the addition of a stabilizing compound permits the use of sterilization.

Evaporated milk sterilized by high temperature for a short time retains fresh milk flavor and color but tends to gel in storage, the department said.

Schools of the area will be closed next Friday, Oct. 27 for the Southern zone teachers conference.

Modena

MODENA—Among the Democratic women candidates in Ulster County, for town elections in November, to be honored at a tea, at the Democratic Headquarters, Kingston, Saturday, Oct. 21, from 2 to 5 p. m. will be Mrs. Marie Reilly of Modena, Mrs. Mildred Napoli of Clintondale, collector and town clerk in the Town of Plattkill.

Sponsoring the tea are members of the Ulster County Democratic Women's Club, and the Ulster County Democratic Women's Division.

Mr. and Mrs. Charles Smith and children, of Garviter, were dinner guests of Mr. and Mrs. Preston J. Paltridge Sunday.

Mr. and Mrs. Harry Hopper are vacating the Sutton house, north of Modena village and moving out-of-town.

Mrs. Lester A. Wager and children were visitors in Kingston Tuesday. The Fred Bernard family were among visitors of Mr. and Mrs. Fred M. Smith of Clintondale, on the observance of the latter's golden wedding anniversary Saturday, Oct. 14. Mrs. Smith is the former Lydia Ellis, daughter of the late Mr. and Mrs. Brooks Ellis of Clintondale, and Mr. Smith is a son of the late Mr. and Mrs. Alvin K. Smith of Modena.

Onion Varieties

A dozen varieties of onion have been developed to grow to a more uniform size for easier handling, and with heavier scales to withstand machine jostling, says the College of Agriculture at the University of Wisconsin.

Canadian Couple May Accept Hospitality Offer

SYRACUSE, N.Y. (AP)—A Canadian who complained to Albany and Washington because he was fined \$25 for allegedly shortchanging the Thruway Authority out of a nickel may accept an offer to enjoy American hospitality here.

Mrs. Gilbert Colin Murray of Toronto said Thursday she and her husband would consider an invitation of The Syracuse Herald-Journal for a demonstration of "the real meaning of American hospitality."

Murray, a night editor for the Toronto Telegram, was accused of dropping a dime instead of 15 cents into a mechanical toll-collector at a Thruway interchange. He was fined by a peace justice at Cheektowaga. Murray has denied the allegation.

He complained to the U.S. State Department and to Gov. Rockefeller. Neither the State Department nor Rockefeller intervened. The State Department expressed in a statement, however, "surprise and regret if the circumstances were as reported."

Rockefeller's office said the governor was sorry for the "inconvenience and embarrassment."

Editorial employees of The Buffalo Evening News collected \$25 to pay the fine but Mrs. Murray said she and her husband asked that the money be donated to a Buffalo charity.

LT. LEMUEL HOWARD

Speaker Listed By P-TA Council

Guest speaker for the meeting of the P-TA Council at Kingston High School next Monday, Oct. 23, will be Lt. Lemuel Howard of the Kingston Police Department.

The meeting will be held in the school library at 8 o'clock. Lt. Howard will speak on Narcotics and Juvenile Delinquency.

The local police official, a member of the department since 1937, attended police school at Delhanty Institute, New York City, and has taken courses in fingerprinting and investigations at Federal Bureau of Investigation schools.

Court Rules That Power Authority Has Probe Right

ROCHESTER, N.Y. (AP)—The State Power Authority has the right to investigate those it has done business with, the Appellate Division, Fourth Department, has ruled.

The court unanimously affirmed Thursday, an order of Supreme Court Justice John S. Marsh granting an SPA application to force Henry B. Vidal, a Westinghouse Electric Co. district manager, to testify before the authority.

Justice Marsh ruled that an SPA subpoena issued to Vidal, which he ignored, was being used for a public purpose and therefore was constitutional.

Vidal had objected to the constitutionality of the SPA's subpoena power, claiming it could not be used to obtain evidence on which to base damage actions against manufacturers of equipment bought by the authority.

To Discuss State Aid

ALBANY, N.Y. (AP) — Proposals for overhauling the system of state aid to localities will be discussed in Albany Dec. 13.

State Comptroller Arthur Levitt, in announcing the meeting Thursday, said representatives of the Association of Towns, County Officers Association, and the Conference of Mayors were expected to participate.

Honolulu Surf Riders Will Be Opponents

Kingston basketball fans will see the world famous Harlem Globetrotters for the first time in several years on Friday, Nov. 17, at the municipal auditorium.

The legendary Globetrotters, known around the world as the mad magicians of basketball, will play against the Honolulu Surf Riders.

Backing up the wizardry of the fabulous Trotters will be an excellent array of theatrical talent that will perform between the halves.

Abe Saperstein's quintet is now celebrating its 35th consecutive season. During that time the team has played in 80 different countries, traveled twice completely around the world and delighted millions of fans.

The 1961-62 edition is built around the incomparable comic Bob (Showboat) Hall, successor to the long departed Goose Tatum and Marquis Haynes. Others on the roster are Ernest Wagner, J. C. Gipson, Halie Bryant, Norman Lee, Bobby Milton. Other players will be announced later.

The Trotters closed the 1960-61 season with 341 victories against six defeats in the 20-game series with the College All-Americans and brought their overall 34-year record to 7,125 triumphs, 309 defeats and an amazing percentage of 93.

The first season was one of the most remarkable in the history of the club. The Trotters rolled through the regular National American season with 171 consecutive victories and a number of new attendance records. A second unit through the winter went on a complete around-the-world tour, winning 92 games without a loss against a picked squad of American college and pro players and brought to 76 the number of countries played by the Trotters with inclusion of Pakistan, Canary Islands and Tasmania among the countries visited.

The Honolulu Surf Riders, coached by Ronnie Kim, is composed of the best basketball talent in the islands.

Six-four Ronnie Holt of English-Hawaiian extraction, starred at Waimea High on the island of Kauai for four years and for one year at Willamette University in Oregon. Giant of the squad is Robert Stoermer, 6-8, who averaged 22 points a game at the University of Oklahoma.

The entertainment bill includes Nick Kessler, batonist; Jackie Conant, equilibrist; The Parry Kids, trampolinists; Ross and Ross, bag punching duo; and table tennis experts, Robert Ashley and Darryl Flann.

America Afloat

Boating Experts Endorse Aluminum as Craft Metal

By WM. TAYLOR McKEOWN
Newspaper Enterprise Assn.

The light weight of boating metals has received endorsements by the heavyweights of the boat building industry.

Aluminum boats are being made, as we predicted several months ago.

The new craft is a 27-foot cabin cruiser that will sleep four and carry a number more for day boating. It will plane along at 36 miles an hour with twin 185 horsepower engines, and is being built in Holland, Mich.

Aluminum airplanes helped make possible the winning of World War II, but afterward aircraft aluminum was sold as surplus. Small-time fast-boats, builders bought it and started making aluminum runabouts.

America was "pleasure-boat hungry" and bought a large number of these light little craft—only to have many come apart or develop holes.

ALUMINUM ALLOYS that are ideal for aircraft may practically dissolve after a short soaking in salt water. Other forms of the metal that have been designed for marine use, however, can stand direct exposure to water and weather and get nothing more than a superficial rough tarnishing.

Improper use of aluminum gave the material a temporarily bad name among boatmen until

KHS Set to Play At Port Tonight

Kingston High and Poughkeepsie will play their postponed DUSO League game on Tuesday, Oct. 31, at 2 p. m. in Poughkeepsie.

Coach G. Warren Kias, athletic director at Kingston High, said the two schools reached a mutual agreement on the new date and the DUSO League office was not required to intervene.

By ED PALLADINO
Freeman Sports Staff

While Kingston plays at Port Jervis tonight in a crucial DUSO struggle, the area won't be without key football games on Saturday. Races in the DCSL and UCL are still close and there are several pivotal contests on tap.

The complete schedule:

Tonight
Kingston at Port Jervis, Arlington vs. Highland (River-view).

Saturday
Saugerties at Wappingers. New Paltz at Rondout. Liberty at Wallkill. Middletown at Newburgh. Marlboro vs. Ontario (Dietz). Beacon at Roosevelt.

A look at the games in each league:

DUSO — Kingston has yet to play a circuit contest while the Porters dropped a 33-31 decision to Newburgh. This one should see both sides scoring as the Porters have great outside speed and the locals pass the ball well. Middletown, which has feasted on weak foes for three straight weeks, might have a battle on its hands tomorrow at Newburgh. The Goldbacks of Rip Fernald are 2-2 to date. The Middies are solid choices but they may hit a snag.

DCSL—Arlington and Highland are playing strictly for prestige tonight. Neither side has a chance for circuit honors. Saugerties and Beacon, both unbeaten to date, play on the road tomorrow with the Sawyers challenging Wappingers in the big one. The Indians lost, 7-0, to Beacon in a rainy tussle last week and they figure to be "up" for the Sawyers. Al Hrdlicka and company must be at their best in this one. Beacon is a heavy choice to beat Roosevelt, which started well but has hit a snag.

UCL — All three contests in this circuit are big ones. New Paltz is the only unbeaten club and the Huguenots are slight favorites to trim Rondout. The Ganders knocked Wallkill from the unbeaten ranks last week and are ready for the visitors. Liberty has been involved in four shutouts to date, winning and losing a pair. The new league entry might be too strong for Wallkill, which has feasted on weaker foes. Ontario is an underdog to Marlboro but the Indians are improving and might turn the tables.

By the end of the firing on Saturday evening, a clear evaluation of how the races in the three leagues will finish, might be forthcoming.

Ulster Slates Winter Activity

The winter recreation program for the Town of Ulster will begin Wednesday, Oct. 27, at the Lake Katrine school and Friday, Oct. 29, at the Chambers school.

The program will consist of organized activities for children in grades 4-7 at their respective schools.

Children in grades 8-12 will participate on Wednesday, Nov. 1, and Friday, Nov. 3. This plan of alternate weekly participation will continue through the year.

In order for a child to participate, parents are asked to grant permission by sending a note with their child on open-night.

New NBA Coaches Got Even Split

By THE ASSOCIATED PRESS

Frank McGuire and Eddie Donovan had different reactions after their debuts as professional coaches in the National Basketball Association.

Donovan, who previously coached St. Bonaventure, was mildly pleased. McGuire, longtime successful coach at St. John's and North Carolina, was not pleased at all.

The reason? McGuire's Philadelphia Warriors lost and Donovan's New York Knickerbockers won in a Madison Square Garden doubleheader that opened the NBA season Thursday night.

Los Angeles overcame Wilt Chamberlain's 48 points with some good rebounding and beat McGuire's Warriors 118-112. A 10-point spree late in the last quarter put it out of reach as Donovan's Knickerbockers took the new Chicago Packers 120-103.

"We made too many mistakes," McGuire complained. "Rebounding was a problem. Elgin Baylor got 21, but we expected that. But we shouldn't let a little fellow like (6-foot-3 Jerry) West get 13. That's 34 between them. We shouldn't have let them get that many."

Donovan used a weave, aimed at getting Johnny Green in close enough for his deadly jump shot, as the Knicks improved a 56-55 halftime advantage to 89-79 at the end of the third quarter.

Los Angeles is at Philadelphia in the only action tonight. The Saturday schedule has Detroit at Boston, New York at Philadelphia, Chicago at Syracuse and Cincinnati at St. Louis.

Comeback Pick Pleases Kaline

DETROIT (AP) — "I'm surprised I got it. I didn't think I had that bad a year in 1960."

Al Kaline's reaction of the year was barely short of astonishment. "It's good to win it," said the right fielder, who boosted his batting average 46 points to .324 and helped the Tigers to a second-place finish. "I'm happy to be picked for anything that's good."

"But I don't know how I got it. I didn't think I was even being considered."

Kaline received 23 votes from the 136 members of the Baseball Writers' Association of America who participated in The Associated Press' annual comeback-of-the-year poll. The writers named 27 players in their ballots.

Second with 18 votes was Dick Donovan, who had a 10-10 pitching record for the Washington Senators and since has been traded to Cleveland. Norm Cish of the Tigers, who won the league batting title with a .361 average, was third with 16. Then came New York's Elston Howard and Detroit's Rocky Colavito with 13 points. Detroit's Don Mossi with 12, New York's Luis Arroyo with 10, New York's Whitey Ford with 8, and Cleveland's Jim Piersall with 7.

"I thought Mossi or Howard were the leading candidates for it," said Kaline. "I was happy with my season, though, and after having that bad year when I hit .278, it was nice to get back above .300."

Must Stop Gross

Navy Favored Over Detroit; Spartans to Test Notre Dame

By JACK CLARY
Associated Press Sports Writer

Jerry Gross, the University of Detroit's clever little bomber, is going to put Navy's anti-aircraft defenses to the acid test tonight when the two football teams meet in the Motor City.

Gross, a junior quarterback, is ranked second nationally in total offense with 702 yards in leading the Titans to a 3-0 record. Navy scout Steve Beleckick classified him as "an outstanding quarterback who combines fine passing with excellent running."

He has averaged 236 yards a game and has good support in ends Larry Vargo and Steve Stonebreaker, both drafted by the pros last year as juniors in college.

Navy is favored despite Gross' offensive heroics. The Middies have won three in a row after an opening game loss to Penn State, last week beating Cornell 31-7. After giving up 20 points against Penn State, the Middies have allowed only one touchdown to each of their three victims.

Coach Wayne Hardin feels that the defense cannot afford to let down against Detroit's running, led by halfback Jim Shorter and fullback Vic Battani. His own offense, led by quarterback Ron Klemick, also is rolling in high gear.

In the night's other major game, two Southern Conference rivals William & Mary (1-4) and George Washington (2-3) play in the nation's capital.

Biggest Game

Big games in each region, headed by top-ranked Michigan State's encounter with Notre Dame at East Lansing, Mich., highlight Saturday's program. Three-Syracuse at Penn State, fifth-ranked Alabama and Tennessee at Birmingham, and Southern California at California—will be telecast regionally by ABC.

The Michigan State game is the acid test for the Irish, 3-0, and ranked sixth in the latest Associated Press poll. After a 2-8 season in 1960, the sudden spurt this year has conjured up thoughts of the powerhouses of a decade ago. The Spartans, also 3-0, have superior depth but will have to cope with a powerful Notre Dame rushing attack, third best in the nation.

Notre Dame has lost five in a row to Michigan State and has not scored a touchdown since 1958.

Alabama (4-0) has an offense ranked second nationally, and led by quarterback Mike Trammell and fullback Mike Fracchia. Tennessee (2-1) is led by tailback Glenn Glass, and a victory over the Tide would take the stretch out of its showy 3-0 Southeastern Conference mark.

California Picked

California (1-2-1) goes after its second Big Five victory and is favored over the Trojans (1-3). Syracuse (3-1) and Penn State (2-2) will try to decide the mythical Eastern title in their game.

In the Southwest, third-ranked Texas (4-0), headed by halfback Jimmy Saxton, meets Arkansas' resurgent forces in what may be the key Southwest Conference game of the year. Arkansas, tied for No. 10, is 2-0 in the conference, and the Longhorns, the most powerful team in the country, are 1-0.

The other games involving the nation's top-ranked schools are all conference affairs. Second-ranked Mississippi plays Tulane, eighth-ranked Georgia Tech plays Auburn and Louisiana State, tied for 10th, takes on Kentucky in SEC contests.

Iowa, ranked fourth, plays Wisconsin and Ohio State (No. 7) faces Northwestern in Big Ten contests while Big Eight leader Colorado (No. 9), goes against Kansas State.

'Guaranteed' Picks

Hoople Is Back Again After a Perfect Week

By MAJOR AMOS B. HOOPLE
The Wizard of Odds

Hak-raff! Many loyal followers of the Hoople System have been wondering all week how this famed observer was able to call nine high school games correctly. Chances are the score would have been ten for ten if Sam J. Kalloch was not afraid of getting some raindrops on his hair.

Just remember, dear followers, it was Hoople who predicted that Rondout would upset Wallkill and that New Paltz would send Marlboro back home in a sad state. The record for the week was 12 right and only three wrong and the overall mark for this great predictor is 47 right and only 18 wrong. Who can top that?

You want some predictions this week? Try these for size. Kingston will knock Port Jervis into the Neversink River, 28-13. Those rampaging Sawyers from Saugerties will nip Wappingers, 19-14, and get their dear friends, New Paltz and Rondout will play to a 7-7 tie. Crazy? Not Hoople.

Just remember, it was your humble author, whose gridiron heroics at Yale encouraged Midwestern schools to adopt the sport of football. Dr. Hannibal Wottaburp, my chief assistant, tells me that on his trip to Bermuda last year, those people in Bermuda shorts were asking him about Hoople. Of course, Wottaburp had nothing but lavish praise for this gridiron expert. Hurrah!

Well, it's time for my predictions. I understand Joe Bruno has some of that pasta fazzoletto left over from the time those White Plains monsters were fed in his Front St. restaurant. Ah, such fame is terrific. Who else but Hoople could be invited to

Unseasonable Weather Slows Hunting Activity in State

ALBANY, N.Y. (AP)—The turn-out of hunters for small game has been poor because of unseasonably warm weather and heavy foliage, the State Conservation Department says.

The department Thursday reported these conditions throughout the state:

Enio, Genesee, Livingston, Monroe, Niagara, Ontario, Orleans, Seneca, Wayne, Wyoming, Yates: Grouse in good supply in southern part. Grey squirrels abundant in wooded areas regionwide. Wood duck migration still underway, but flights of northern woodcock have not come in yet and hunters are relying on local birds, which are in fair supply.

Allegany, Cattaraugus, Chautau-

Unknown Leads On 7-Under-64

COSTA MESA, Calif. (AP)—A 7-under-par 34-30-64 put Buddy Sullivan of Yuba City, Calif., into the lead for the \$20,000 Orange County Open golf tournament.

Sullivan had 12 birdies Thursday over the 6,650-yard par 36-35-71 Mesa Verde Country Club course, but he had two bogeys.

Bob Harrison of Pacific Palisades, Calif., was second with 38-30-66 and Phil Rodgers of La Jolla third with 34-33-67.

Five players were tied with 68s — Al Geberger of Santa Barbara, Jack Ellis of Wilmette, Ill., Larry Mowry of Orem, Utah, Tom Neupert, Bronxville, N.Y., and Jon Gustine, Gladwyne, Pa.

Attitude Is Biggest Worry for Jack Nicklaus

By WILL GRIMSLEY
Associated Press Sports Writer

MONTERREY, Mexico (AP)—U.S. champion Jack Nicklaus was concerned about his mental attitude as Uncle Sam's top amateur golfers prepared to defend the Americas Cup against Canada and Mexico this weekend at Monterrey's Club Campestre.

"I need at least a week or 10 days to get sharp for a tournament," the husky Ohio State student from Columbus said today after his first practice round.

"I've been busy with my studies for the last few weeks. I haven't hit many balls since the Walker Cup matches at Seattle in the National Amateur at Pebble Beach. I have to be thinking right to play my best golf."

Nicklaus, 21, apparently was the only man concerned about his capabilities in the tricorned battle scheduled Saturday and Sunday. The Yanks are overwhelming favorites to win the hemispheric trophy for the sixth straight time.

Six 18-hole team matches, in which two men representing a country hit alternate shots, are scheduled Saturday morning with six individual matches for the afternoon. Six team and six individual matches also will be played Sunday.

The rival captains will announce their lineups later today.

In addition to Nicklaus, the U.S. team is made up of Charles Coe of Oklahoma City, team captain and twice national champion; Deane Beman, Bethesda, Md.; William Hyndman III of Philadelphia; Bob Gardner, Spring Lake, N.J.; Charlie Smith, Gastonia, N.C., and Dudley Wyson, McKinney, Tex.

Karters Topple Track Records

Several new track records were set at the weekly Kart Wheelers Club, Inc. at Clinton Dale, with Joe Becchetti of Poughkeepsie erasing the A Modified record with a 44.12 clocking in a qualifying heat.

Mickey Orphan on a Spitfire with a new K95s set a new standard in the B Modified of 40.80 to take top honors in that class. The other record breaker was Arthur Auger, Wykoff, N. J., in the A Bushing Jr.

Billy Drinkwater, riding his father's Stellar kart powered by MC10s, established a new B super record at 40.12.

Other winners included: A Modified Junior — Ed Bimble, West Brookville; A Bushing Jr., Clarence Jones, Bear Mountain; A Modified Sr., Clarence Jones, Bear Mountain; A Super, Benny Sabato, Peekskill.

Robin Bucciarelli of Newburgh won first place in the Powder Puff derby. Ruth Orphan was second.

Buffalo Seeks Third Straight

By THE ASSOCIATED PRESS

Buffalo goes after its third straight victory and a possible climb into first place in the Eastern Division of the American Football League tonight.

In the way is another team that hasn't been doing so well but knows now it's the time for it—Boston.

Buffalo and Boston clash at Boston as the first game of a full league schedule.

Sunday the other members hook up, with San Diego, leading the Western Division by 2½ games and unbeaten for the season, traveling to Oakland; New York going to Denver, and Dallas playing at Houston.

Should Buffalo beat Boston and New York lose to Denver, the Bills would take over first place in the Eastern Division. A Boston victory, however, would mean a tie for the division lead between Boston and New York.

Buffalo last Sunday almost ruined Dallas' chances by toppling the Texans 27-24. The previous week the Bills had whipped Houston 22-12 to put Coach Lou Rymkus of the Oilers on the sidelines.

Then on Sunday, when Boston played Houston, the 1960 league champions, to a 31-31 tie, Rymkus slid all the way out of a coaching job.

Hannum Sees Nats Clicking

SYRACUSE, N.Y. (AP) — The Syracuse Nationals, third in the National Basketball Association's eastern division last year, open their regular season Saturday with Coach Alex Hannum optimistic over a better finish.

The Nats inaugurate their 18th season against the Chicago Packers, newest member of the NBA, at the War Memorial Auditorium.

Hannum says he is counting on his veteran starters, Dolph Schayes, Dave Gambee, John Kerr, Larry Costello and Hal Greer, and three reserves he considers as potential standouts: Suede Halbrook, Joe Roberts and Al Bianchi.

Rookies Lee Shaffer from North Carolina, Charley Osborne from Western Kentucky and Paul Neumann from Stanford round out the squad.

The Nats will play 80 games this season, 35 at home. Four of the home games are scheduled for Rochester and three for Utica.

SPORTSMAN'S DIGEST

HOW TO SELECT A TROPHY ANTELOPE

THE LARGEST ANTELOPE BUCKS FALL INTO A HABIT OF RUNNING IN THE REAR VIEW WITH A HERD. THEY DON'T ALWAYS DO SO, BUT IT'S USUALLY THE BEST WAY OF SELECTING ONE ON THE RUN.

DON'T SELECT AN ANTELOPE BECAUSE IT HAS HORNS; A DOE MAY HAVE SPIKES AS LONG AS ITS EARS.

IF YOU ARE HUNTING FOR A BUCK THAT COULD QUALIFY FOR A PLACE IN THE BOONE AND CROCKETT CLUB'S RECORD BOOK, COMPARE HIS HORNS AND HEAD; IF HORN BASE TO PRONG SPACES BASE TO NOSE (A), AND TIP EQUALS THAT (B), IT IS.

free, gratis, for nothing, without any charge whatsoever

THAT'S 4 WAYS OF SAYING THAT OUR ESTIMATES FROM YOUR PLANS AND SPECIFICATIONS ARE YOURS WITH NO OBLIGATION.

Or if your need is small and there are no plans, we'll see that you get what you need.

Robby Says Ego Keeps Him Going

By MURRAY ROSE

Associated Press Sports Writer

NEW YORK (AP)—Sugar Ray Robinson, who says his ego won't let him quit without a title, will try to stretch his winning streak to two Saturday night when he faces young Denny Meyer in a television fight at Madison Square Garden.

For a guy who used to win 40 and 50 at a clip, two in a row shouldn't seem important. For Sugar Ray, at 41, it is vital. If he can't beat the 22-year-old speedster from Portland, Ore., then he most likely won't even get close to another shot at the middleweight crown. That's what Robinson wants more than anything.

Robinson has held the 160-pound division crown, or a piece of it, five times.

"I'd hate to quit again without the title," the fading veteran said. "I know I'm not what I used to be but I think I've got enough to beat either Downes or Fullmer."

Terry Downes, of London, is recognized as champion in New York, Massachusetts and England. Gene Fullmer of West Jordan, Utah, is the NBA's champion.

Robinson, now ranked as the No. 5 contender, has a 144-93 record, including 93 knockouts.

Meyer, ranked ninth, has a 30-5 record, including only eight knockouts.

The 10-rounder will be telecast (ABC-TV, 9 p.m. EST) nationally.

Old Pal Returns To Haunt Bruins

By THE ASSOCIATED PRESS

Boston's hapless Bruins, who have yet to win this season, found a new tormentor in an old teammate Thursday night.

Vic Stasiuk, once a member of Boston's high-scoring line who now skates for Detroit, jammed in three goals in the last period as the Red Wings blasted Boston 7-5.

Surprising New York clipped Chicago 4-2 as Andy Bathgate extended his scoring string in the only other National Hockey League action.

Stasiuk, a muscular right wing, hit the first two goals of his hat trick with a 62-second span in the first two minutes of the third period, giving Detroit a 3-1 lead.

He got his third at 15:10.

Bill Gadsby, Alex Delvecchio, Leo Labine and Eddie Litzenburger got the other Detroit goals.

New York, which has now won four of six starts, extended its first place lead to three points over idle Montreal as Chicago suffered its first loss of the season.

Earl Ingarfield gave the Rangers, who haven't made the playoffs in three seasons, a lead they never relinquished on a 15-footer early in the first period.

Bathgate assisted on the marker, extending his season-long scoring string to six goals. He now has 3 goals and 8 assists.

Track Record At Roosevelt

Worth Seem' set a track record for 2-year-old fillies with a wire-to-wire triumph in the \$25,745 Proximity at Roosevelt Raceway Thursday night.

The second choice of bettors, Worth Seem' paid \$5.50 for the 2:04 3-5 mile. Stanley Dancer was in the sulky. Her time was 4-3 of a second faster than the mark set last season by Meadow Fair.

Spry Rodney, the 4-5 favorite, with second and Stardel Hanover third.

At Batavia Downs, April Haven came from last place at the half-mile pole to take the \$1,200 Class B-3 Pace in 2:07 2-5. Driven by Gary Campbell, the winner returned \$9.90.

The \$85,135 Westbury Futurity, richest race for juvenile trotters, is the feature at Roosevelt Raceway tonight. Ten 2-year-olds were entered. The only filly, Sprite Rodney, is the 4-1 second choice. The favorite is a Del Miller entry, Apex Hanover and Lullwater Frost.

May Wind Up Scarbeck Case

WASHINGTON (AP)—The government may complete its case today against Irvin C. Scarbeck.

The 41-year-old former second secretary of the American Embassy in Warsaw is charged with giving secret embassy documents to Polish agents after they threatened to expose his affair with a 22-year-old Polish girl.

Cross examination of government witnesses Thursday produced an apparent contradiction in testimony.

State Department security agent Kenneth W. Knauf, who questioned Scarbeck for 10 hours June 5 in Germany, said a tape recording of the session showed he used no force or pressures against Scarbeck to obtain a signed statement.

The security agent said his deputy, James Farber, agreed that the recording "vindicating" Knauf of charges by the defense that Knauf had threatened Scarbeck. But Knauf said Farber was "pretty unapproachable" on the subject.

When Farber took the stand, he denied he had discussed the tape recording, which has been played for the jury, with Knauf. Farber said he had been instructed by prosecutor Paul Vincent not to discuss the tape.

Much of the testimony Thursday was a repeat of that given during a week-long hearing without the jury on whether Scarbeck's signed confession was proper evidence. Judge Leonard Walsh ruled it was.

Arrests Go On But Paris Quiet

PARIS (AP) — Police arrested 421 more Algerians for curfew violation Thursday night but Paris was generally quiet after two nights of violence.

The new arrests raised to about 14,000 the total number of Algerian demonstrators apprehended since mob action started Tuesday night. At least 1,500 are scheduled for deportation to Algeria.

The Tunis-based rebel government made plans to stage mass demonstrations in France and Algeria Nov. 1, seventh anniversary of the launching of the Algeria revolt against France.

Killed in Collision

OWEGO, N.Y. (AP) — Robert Wright, 29, of nearby Apalachin, was killed today in the collision of his half-ton truck and a one-ton truck in early-morning fog on Route 17, near here.

The accident occurred at approximately the same place where Charles Ruh, 41, of Little Meadows, Pa., met death two weeks ago in the collision of his automobile and a truck.

Small Colleges New Leader for Kansas Squad

By THE ASSOCIATED PRESS

In five games this season, Pittsburg State Teachers College of Kansas has scored 149 points and permitted none for an unblemished football record.

So when the two teams of a week ago, Texas A. and I. and Humboldt State, were upset victims and the Pittsburg Gorillas made it 5-0 by thumping St. Benedict's 26-0, the parlay catapulted the Kansas team into first place in The Associated Press' small college poll.

Humboldt dropped out of the top ten after losing to Sacramento State, 19-7, and Texas A. and I. beaten 15-8 by previously winless Howard Payne, slipped to No. 7.

The top ten (points figured on a basis of 10 for first, 9 for second, etc.; first place votes in parentheses):

1. Pittsburg (Kan.) (3) 87
2. Baldwin-Wallace 56
3. Southeastern Louisiana 47
4. Northern Michigan (I) 36
5. Whittier 31
6. Hofstra 29
7. Texas A. & I. (I) 27
8. Lamar Tech (I) 19
9. West Chester (Pa.) (1) 18
10. Fresno State (I) 14

Bowl of Flowers Bolts to Top

LEXINGTON, Ky. (AP)—Bowl of Flowers' upset in the \$34,400 Spinster Stakes at Keeneland race course has put her on top of the 3-year-old filly picture.

The Brookmeade Stable entry, last year's 2-year-old champion filly, sped through the stretch Thursday to edge John W. Galbreath's Primrose, her chief challenger for 3-year-old honors. The margin was three-quarters of length in the mile and an eighth event.

Bowl of Flowers, with jockey Eddie Arcaro up, equaled the record of 1:49 1-5 for the Spinster.

Times Two finished third. The victory gave Bowl of Flowers the winner's share of \$50,650 and raised her total earnings to \$32,884.

Mr. and Mrs. Michael Gates entertained supper guests Tuesday evening.

Taylor Delayed On Front Tour

SAIGON, South Viet Nam (AP)—Gen. Maxwell D. Taylor talked some more today with guerrilla fighting experts advising South Viet Nam's forces after a tropical storm delayed his flying tour to some of the battlegrounds in the key Southeast Asian country.

President Kennedy's top military adviser was reported satisfied with beginnings of his mission to map a program to help President Ngo Dinh Diem's army crush the Viet Cong Communist guerrillas.

An aide said Taylor hoped to leave Saturday on a tour of the highlands bordering Laos and of the lower Mekong Delta, the chief centers of Viet Cong attack.

A U.S. spokesman said the discussions Taylor and State Department officials had with him concern the economic as well as military problems confronting Diem's pro-Western government.

South Vietnamese army sources said today intelligence reports indicate some 12,000 to 13,000 fresh Viet Cong troops have moved into South Viet Nam from Communist North Viet Nam since July.

Inspection Due For Commandery Next Wednesday

Officers and members of Rondout Commandery will be visited Wednesday night by Wesley A. Daniels Jr., of Chaumont, Grand Sword Bearer of the Grand Commandery, Knights Templar, State of New York.

Preceding the official inspection a ban dinner will be served at Masonic Temple at 6:30 p. m. to which Sir Knights and their ladies are invited. Entertainment for the ladies will be provided during the evening.

Daniels is a past commander of Watertown Commandery 11, Watertown, and had presided over Chaumont Lodge, 172, F&AM, as master, and Cape Vincent Chapter, 96, Royal Arch Masons, as High Priest.

A graduate of the College of Business Administration, Syracuse University, Daniels received his B.S. degree in accounting in 1944. After three years as an accountant with a New York City public accounting organization, he returned to Chaumont to assist his father in the operation of the Township Telephone Company, an independent company operating in the western part of Jefferson County and other adjacent areas of New York State. He now serves as president of the company. He is a member of Town of Lyme Lions Club and in 1960 served as Cub Master of the local Cub Pack.

Members of commanderies, Hudson River 35, Newburgh; Poughkeepsie 43, Poughkeepsie; Delaware 44, Port Jervis; Cyprus 67, Middletown; Rockland 75, Haverstraw, with jurisdictions in Zone Four of the Grand Commandery, have been invited by Robert F. Short, Commander of Rondout Commandery, to be present at the inspection of the Commandery next Wednesday.

Buffalo Man Killed

BUFFALO, N.Y. (AP)—Thomas L. Hulme, 31, of Buffalo, was injured fatally today in a two-car head-on collision on the Niagara Division of the State Thruway.

The driver of the other car, Mrs. Evelyn Pytlewski, 45, of Ridgeway, Ont., was listed in poor condition at Columbus Hospital.

Frances Eyes Space

PARIS (AP) — A stepped-up space program aimed at putting a 110-pound earth satellite into orbit by 1964 was announced by France today.

The National Assembly has approved a \$17.5-million budget for space projects in 1962.

Youths Face Jury On Car Charge

Two Kingston youths are facing grand jury action as the result of charges of grand larceny, second degree, in connection with a July 16, 1961, car theft, the Sheriff's Department said today.

Deputy Sheriff Thomas Mayone said Edward Houghtaling reported on July 16 that while he was at Pleasure Yacht in Eddyville, his 1951 sedan was stolen. He notified Kingston and State Police and a short time after troopers found the vehicle in a sandbank off Wilbur Avenue.

An ensuing investigation resulted in the arrest of Robert Baxter, 17, of 263 Hasbrouck Avenue and Eugene Bates, 19, of 82 Millers Lane. They were turned over to the sheriff's department. During questioning, Mayone said, it was admitted the boys had taken the car for a joyride. They were taken before Justice of Peace Edward Brodsky of Rosendale, waived examination and were held for grand jury action. Baxter is out on \$200 bail, but Bates is still at Ulster County Jail.

Mayone was assisted in the investigation by Deputy Sheriffs John Seaholm and Charles Dullea.

Adenauer to Visit U.S.

BONN, Germany (AP)—Chancellor Konrad Adenauer will go to the United States immediately after he is re-elected for talks with President Kennedy, one of the chancellor's closest associates said today.

"It is essential that the chancellor talk to Mr. Kennedy before further plans are made for negotiations with the Russians on Berlin and Germany," the source said.

Mediators Find No Pact Basis For Rutland RR

WASHINGTON (AP)—The National Mediation Board says a month-long series of conferences has produced no basis for settlement of the Rutland Railway strike, begun by four operating unions Sept. 25.

The board suspended mediation meetings yesterday but said it would keep in close touch with developments and be available to assist if circumstances warrant.

The striking brotherhoods represent locomotive engineers, firemen, conductors and trainmen.

About 400 employees are affected.

Union and railroad representatives met in Washington Wednesday and Thursday with Robert Q. Boyd, a member of the board, and Tedford E. Schoonover, a board mediator.

The board's announcement said: "More than a year, and continuously for the past month, the National Mediation Board has held conferences with the parties in an effort to find a formula for settlement of the dispute which led to the strike on the Rutland Railway beginning on Sept. 25, 1961."

"There does not appear to be any basis for settlement which the parties found mutually acceptable, therefore, the board is

suspending mediation conferences.

The strike, the Rutland's second within a year, was called when the company countered the brotherhoods' demand for a pay increase of 8 cents an hour with a proposal of a wage cut of 19 cents an hour.

The line operated freight service between Bellows Falls, Vt., and Ogdensburg, N.Y.

\$250 Offer Made For Film Return

A reward of \$250 was offered Thursday by Charles Barnes of Hillsdale for travel film stolen from his home earlier this month. The film was part of some \$3,500 in camera equipment and supplies taken by the burglars. Charles Barnes said his wife had taken the film in trips around the world. Both are world travelers and lecturers. Barnes explained that the film is worthless to anyone but to him and Mrs. Barnes.

Burglaries at the Barnes home and at summer cottages in Taghanic and Elizaville are still under investigation by state police of the Claverack barracks.

Hollywood News, Views

By BOB THOMAS
AP Movie-TV Writer

HOLLYWOOD (AP)— "We are shooting three days in 'Hollywood,'" said Billy Wilder, "because Mr. Buchholz decided to make the acquaintance of a tree."

The director did not seem perturbed by the inconvenience. At least not now that he has the final scenes of "One, Two, Three" safely in the can. Last month it might have been a different matter.

Wilder planned to shoot the comedy of present-day Berlin entirely in Berlin and Munich. Then his young star, Horst Buchholz, slammed his Cadillac into a West German tree. Wilder couldn't wait for the actor to get out of the hospital and then the courts. Hence the company was dismissed and reassembled here this week.

According to Buchholz, getting out of the hospital was easier than getting out of the courts. "I had internal injuries—how do you call it, intestines?" said the actor. "Even so, I recovered quickly. It is because I have no fat on my belly and because I am young."

"After 10 days in the hospital, I wanted to go home. The doctors pleaded with me to stay four or five more days. They said, 'Horst, you are a horse.'"

He bounced back fast from his injuries, only to get staggered by German justice. The decision: a \$5,000 fine and revocation of license.

"Such a fine has never been heard of before!" he declared. "It was fantastic, especially since no one else was hurt in the accident; no one died. It was just me and the tree."

"I know what the reasoning was. They knew I was a young actor in the public eye. They knew I was the idol of young Germans. They thought they could make an example of me."

"They did it very cleverly. I might have appealed, but I had to leave the country. If I protested, they could have lifted my passport, since I am a Swiss citizen. They knew all that. So I paid."

"Driving in the United States is much safer than in Germany," said he. "There are too many country roads over there, too many hills and curves."

Also too many trees.

Polio Takes Big Drop From Week

ATLANTA (AP)—A sharp drop in the number of polio cases in the week ending Oct. 14 was reported by the Public Health Service.

A total of 35 cases, 20 paralytic, was reported for the week compared to 68 cases, 45 paralytic, in the previous week.

The weekly morbidity and mortality report noted the number of polio cases continued at a record low with only 1,020 reported through the 41st week this year compared to 2,540 in 1960 and 6,966 in 1959.

Two of the four paralytic cases reported from New York were related to the Syracuse outbreak but did not have recent onsets. There have been 76 paralytic cases in the tri-county area comprising Oneida, Madison and Oneida counties. The most recent case was on Sept. 24.

JUST TOYING AROUND—German youngsters find unique toy in abandoned midget car in downtown parking lot in Frankfurt. Boys slowly but steadily disassemble it. Police keep wondering who to send parking ticket to. Car is 20 years old.

Woodstock Area News

LISA TIANO, Correspondent

Boy Scout Rally Scheduled Saturday on Village Green

A two-hour jamboree on the Village Green on Saturday will set the stage for Boy Scout Week in Woodstock township, campaign chairman Frank A. Benson announced.

The program, to which all children in the township are invited, gets under way with a band concert by Troop 12 Boy Scout Drum Corps, 35 strong, of Kingston, at 10 a. m.

Following the band concert, Troop 34 and the Cub pack will stage a display of scouting activities and demonstrations. Doughnuts and cider will be served to all children attending.

Boy Scout Week starts in Woodstock on Saturday, Oct. 28, and campaign workers are scheduled to meet at the Woodstock school on Wednesday, Oct. 25.

Chairman Benson said that some 45 men and women have agreed to serve on the fund committee. They will make a house to house canvass of the township.

Several prominent Rip Van Winkle Council officials are expected to attend the ceremony. Extending an invitation to the children and public, chairman Benson said:

"We would like to make this the biggest and most exciting Boy Scout event ever held in Woodstock. We have lined up a program that should appeal to both youngsters and adults and we hope to have a large crowd present."

Mrs. Alice Van Vorst will help serve ice cream after this meeting and cookies will be provided by Mrs. Ida Werner, Miss Florence Pepper and Mrs. Elsie Ross.

There will be entertainment by the Ross Twins.

Attending the installation ceremonies were guests from Kingston, Saugerties, Olive Bridge, Phoenixia and Highland. The table and kitchen committees served refreshments after the meeting.

Rigby to Speak Before the P-TA

Harry Rigby, widely known Kingston historian and civic figure, will address the Woodstock P-TA on the Community College on Thursday, Nov. 2, at 8 p. m. at the Woodstock school auditorium.

P-TA president Edgar C. Leavcraft urges all P-TA members and friends to hear a comprehensive discussion on one of the vital issues confronting Ulster County voters in November.

Speeding Incident Lands Two in Jail

Two Connecticut youths are lodged in Ulster County jail today as the result of a speeding incident Thursday afternoon in Port Ewen.

William Garneau, 18, of 129 Butler Court, Stratford, was picked up by troopers from the Highland State Police Barracks for speeding 60 miles an hour in a 35-mile zone in Port Ewen, they said. They then accused him of driving after his license had been suspended, and unauthorized use of another license. He was given fines of \$25 of 25 days in jail on each of the three charges by Esopus Justice of Peace John Beaver.

Bruce Barrett 20 of 72 North Street, Shelton, Conn., who was with Garneau, was assessed \$25 or 25 days in jail on a charge of permitting another to use his license.

Both were committed to Ulster County Jail when they were unable to pay the fines.

Hudson Drawing Water From Creek To Ease Shortage

The city of Hudson, still perplexed by a shortage of drinking water, is again drawing its supply from Taconic Creek, its normal source, it was learned today. However, Howard Harding, public works superintendent said some 75 families "raw" water since the Oct. 9 switch-over to the pumping station at Claverack Creek, must continue to boil water for household consumption.

Harding explained that the department plans to use the creek for several days while crews clean the pipeline between Old Forge on Taconic Creek and the Churchtown Dam.

He termed the Hudson water situation still critical.

Community Chest Reaches \$35,000; Fifth of Quota

Richard E. McNaughton, campaign chairman of the 1962 Ulster County Community Chest Drive announced this week to the Chest board of directors that \$35,000 had been raised in the campaign to date. This amount represents about 20 per cent of the total county goal of \$177,000.

Approximately 75 per cent of the announced figure was raised by the Advanced Gifts Division of which Walter Tremper and Herbert DeKay are co-chairmen. The balance has been raised by the business and industry division and the commercial division.

The board of directors expressed its satisfaction at the "encouraging progress of the campaign." It was also established that the advance gifts contributed so far represents "substantial increases over last year's contributions." It was felt these increases reflect the addition of two new agencies to the Chest—Cerebral Palsy and Gateways Industries — and the expanded geographical coverage—Saugerties, New Paltz, and Rosendale.

Low bids totaling \$1,079,611.85 on 13 projects for construction, repairs and alterations to state-owned facilities were opened at Albany Wednesday. A total of 41 bids were received.

Callanan also submitted a low bid of \$10,981.25 for new paving and appurtenant work at the State Armory, New Scotland Avenue, Albany. Two bids were submitted for this project.

Callanan Is Low Bidder For Paltz College Work

Callanan Road Improvement Company, South Bethlehem, which has a plant in South Rondout was the low bidder for work offered by the State Department of Public Works at the State University College at New Paltz. The bid was \$207,461, it was announced today.

Work includes improvement of grounds and dormitory buildings at the college. Four bids were received.

Trade Mark Reg. By Junius

Mrs. Green—How is your little brother, Johnny?
Johnny—Sick abed. He hurt himself.
Mrs. Green—That's too bad. How did he do it?
Johnny—We were playing who could lean furthest out of the window, and he won.

they ask you to dine, say, No, thank you; I have dined.
But the conversation turned out differently from what she had anticipated.
Come along, Gertrude, invited her little friend's father, have a bite with us.
No, thank you, was Gertrude's dignified reply, I've already bitten.

The most happy years in a woman's life are those between the ages of 29 and 30.

Some men like their liquor hard and their women soft; others like their liquor straight and their women curved.

Mouth—the grocer's friend, the dentist's fortune, the orator's pride, and the fool's trap.

I thought ole Doc was a little off. When he gave me salts to cure my cough. But Doc was right. He wasn't off. For now, by gosh, I'm afraid to cough!

In the simplest terms, a leader is one who knows where he wants to go and gets 'up and goes.—John. Erskine.

Man is that peculiar animal who gets a hearty laugh while going through an old family photograph album, and then looks into a mirror without so much as a smile at what he sees.

Mother (who is teaching her child the alphabet).—Now, dearie, what comes after g?
The Child.—Whiz!

We have to keep our radio on to drown out others kept on to drown out ours.

We have lost sight of educational goals in placing too much emphasis on interscholastic

TIZZY

By KATE OSANN

"I find it very difficult to regard some of her friends objectively without earplugs!"

tic athletics — on winning big tournaments, hoopla with big bands, taking students from their regular class programs.

The hypochondriac at his phial cabinet.

Johnny's manners had been improving at home, but at what a cost to his appetite when he had an invitation to dine at a

boy friend's house! His hostess was concerned when dessert was reached. You refuse a second helping of pie? Are you suffering from indigestion, Johnny? No ma'am, politeness. Leave whiskey alone until you're fortyish. Then, take it only if it is prescribed by a doctor.—Arthur Godfrey.

The Weather

FRIDAY, OCT. 20, 1961

Sun rises at 6:13 a. m.; sun sets at 5:10 p. m., EST.
Weather: Sunny, mild.

The Temperature

The lowest temperature recorded on The Freeman thermometer during the night was 36 degrees. The highest figure recorded up to noon today was 72 degrees.

Weather Forecast

GOING TO RAIN

Lower and Upper Hudson Valley:

Considerable sunshine and mild this afternoon. High in 60s to low 70s. Cloudy tonight, with rain developing and continuing through much of Saturday. Cool. Low tonight 45-52. High Saturday in 50s to near 60s. Winds 5-15, increasing somewhat Saturday.

Western New York, Northern Finger Lakes, East of Lake Ontario, Southern Finger Lakes:

Cloudy intervals and much cooler today, tonight and tomorrow, with a chance of a few light showers. High today in the 50s. Low tonight 35-40. Northeasterly winds, 10-25.

Mohawk Valley, Western Catskills, Northeastern Region:

Variable cloudiness and sunshine this afternoon. Mild, with high in the 60s. Clouding up to night, with rain developing and continuing much of Saturday. Cool. Low tonight 40-48. Highest Saturday 48-56. Winds 5-15 tonight, increasing somewhat Saturday. Chance of scattered showers in mountain areas.

W. Va. Is Hit

By 9-Inch Snow

CHARLESTON, W. Va. (AP)—A surprise early season storm dumped up to nine inches of heavy, wet snow on southeastern West Virginia today.

Electric and telephone lines were down, affecting thousands of persons. Slush on mountainous roads made driving hazardous.

The Weather Bureau at Charleston said the snow was expected to turn to rain.

Car Fire Checked

Fire in the wiring damaged the automobile of Irwin J. Thomas of 1 Decker Street, Town of Ulster, as he drove west on Mill Street in Poughkeepsie at 7:44 p. m. Thursday. Thomas, police said, noticed smoke coming from beneath the hood of his sedan, pulled to the side of the street and the fire department was called. The blaze, confined to the wiring of the vehicle, was quickly extinguished.

Cool and Rain Due on Weekend

ALBANY, N.Y. (AP)—Extended forecasts, prepared by the U.S. Weather Bureau, from 7 p. m. today through 7 p. m. Wednesday: Eastern New York—Cool, rainy weather throughout much of the weekend. Fair and cool weather developing early next week. Temperatures averaging around or just under normal and rainfall 3/4 inch or more.

Western New York — Temperatures will average near or a little below normal. Little day to day temperature change except somewhat cooler Sunday and possibly mid-week. Precipitation will average 3/4 inch or less as scattered showers Sunday and again near middle of the week.

Temperature normals—Daytime highs 52-61. Nighttime highs 33-42

SEEING RED, CHINESE STYLE—Red China Premier Chou En Lai (left), shown with other members of his delegation to the 22nd Soviet Communist Party Congress in Moscow, denounced President Kennedy as a treacherous and adventurous man and reaffirmed the solidarity of the Communist camp, including Albania which has been at odds with the Kremlin. Chou told the Congress that as long as imperialism existed, the danger of war existed. (NEA Radio-Telephoto)

NEW PALTZ NEWS

By MABEL DePUX, Correspondent

Reformed Church Notes

Cut to Pattern will be the Rev. C. J. Wulfschlegler's sermon topic at the 11 a. m. worship service at the Reformed Church Sunday.

The annual congregational meeting of the Reformed Church will be held in the Fireside Room of the Education Building, Thursday, Oct. 26, at 8 p. m. The 1962 budget will be voted upon and a slate of new constituency members will be presented for approval. Slides will also be shown.

The communicants class will meet with the Rev. Mr. Wulfschlegler Saturday, 9 to 11 a. m. in the social room. The class is having a two-hour session this week, having missed a meeting last Saturday because of the Senior-Hi Youth Fellowship retreat.

The home and family round table group will meet at the home of Mrs. Ronald Davidson, Station Road, Clintondale, Tuesday, 8:15 p. m. The discussion will be under the leadership of Mrs. Merrill Archard. Mrs. David Lent will be in charge of the refreshments.

Since the World Council of Churches will be meeting in New Delhi, India, during the month of November, this week's Genevan Fellowship discussion will be focused on the significance of the World Council and the theme for its meeting, Jesus Christ, the Light of the World.

The Genevan Fellowship, the college group of the church, will hold its supper-discussion meeting Sunday at the home of Mr. and Mrs. Richard Culver, 21 Tri-corn Avenue. All students who would like to attend will meet in the CUB Lounge at 5:15 p. m. for rides.

Saturday, Nov. 18, has been scheduled for this year's Christmas fair sponsored by the Women's Guild of the Reformed Church. In response to popular demand the fair will begin at 10 a. m. and will continue through the serving of the church supper.

Co-chairmen Mrs. William Conner and Mrs. Harold Lent report a variety of items available this year. Among the many features are Christmas decorations and candles, hand-knit articles and aprons.

Engagement Is Told

Mr. and Mrs. George Schneider of Duane Road have announced the engagement of their daughter, Helen, to Barney Hansen, son of Mr. and Mrs. Berger Hansen of Gardiner.

Miss Schneider is a senior at the New Paltz Central High School. Mr. Hansen is a graduate of the New Paltz Central High School and is now em-

ployed with his father on Long island. No date has been set for the wedding.

Candidates Meeting

Mrs. Chester Mazur, chairman of the voters service committee of the League of Women Voters has announced that there will be a political candidates meeting Oct. 24 at 8 p. m. in the New Paltz High School cafeteria. A number of candidates for town offices will be presented. Each candidate will be asked to explain his qualifications, views, and objectives in a brief talk.

The speeches will be followed by a question period and the evening will be concluded by a special hour with refreshments. The questions will be written and presented to the candidates by a non-partisan panel of league members.

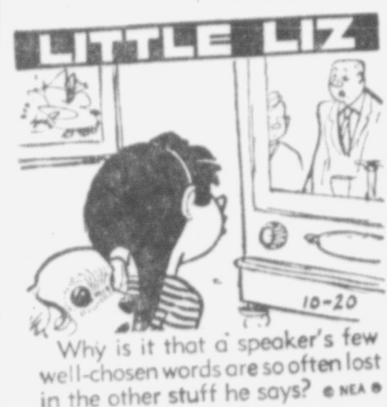

Says Red System Weak

WOODSTOCK, Vt. (AP) — The Russian system is essentially weak, Roger Tubby, assistant secretary of state for public affairs, told the 41st annual meeting of the Associated Industries of Vermont last night.

"No system is inherently strong," Tubby said. "When walls, barbed wire, watchtowers, machine guns and tanks are needed to prevent people from fleeing to freedom."

Tornado Kills Seven

RAGUSA, Sicily (AP) — A tornado cut a swath through the countryside near Ragusa Thursday night, killing at least seven persons. The cone of wind, a rarity in Italy and its islands, whirled in from the Mediterranean and moved through a sparsely settled farm area.

Why is it that a speaker's few well-chosen words are so often lost in the other stuff he says? — NEA

Dressel Renamed By Farm Bureau

The Ulster County Farm Bureau, at its annual meeting Thursday night at New Hurley Community Hall re-elected Rod-erick O. Dressel of New Paltz as president. Robert Davenport of Accord was again chosen vice-president and Mrs. Gertrude Elliott of New Paltz was renamed secretary-treasurer.

The principal speaker at the session was Robert Greig of Red Hook, Dutchess County, representative of the New York State Farm Bureau from District 10. He spoke on the value of the Farm Bureau to the individual farmer and also discussed the Bureau's financial situation.

The Bureau selected nine members to the board of directors. William Coy Jr. of Cliftondale, John Gaffney of Highland,

Garry Hepworth of Marlboro and Jack Gill of Hurley were re-elected. Others chosen included: John Pizeo of Marlboro, Donald L. Schoonmaker of Accord, Spencer Schoonmaker of Gardiner, Alfred Zimmerman of Cliftondale and Mrs. Richard Schoonmaker, chairman of the Women's Committee.
